Whisperball Club – January 15, 2017 - Palm Ridge Rec Center

President Jan Warren called the meeting to order at 5:05 P.M. Approximately 52 members and guests were present.

Ron Eppley read the Treasurer's report. The report was approved as read.

Due to an article published in the Arizona Republic, 06 January, Whisperball has attracted lots of attention from neighboring communities, Larry LeCombe reported, thereby resulting in getting 16 new players.

Jan introduced our new Treasurer, Eileen Scharff.

She also reported that the members of the Table Tennis Club decided against joining our Club so there is no need for a vote.

Members were reminded to pay their annual dues by the end of this month.
