

Meeting minutes

9/8/2017 Saturday 8am at the racquetball courts

Meeting called to order at 805 by President Jan Warren

Well attended general membership meeting

New business: October 31 general membership meeting has been cancelled until further notice due to the holiday.

New 2018 schedule will be posted soon.

Men of October is coming up, 11 players signed up so far.

There is some new information on the boards for your perusing pleasure.

Old business

Club members reminded of club policy regarding order of arrival, order of play. That all players play first games based on arrival order. This has always been and will continue to be our club policy.

Also, a reminder that safe play is a priority. We play doubles in the morning so please remember that you have a partner, know where players are on the court to avoid injury.

The meeting was turned over for questions and comments from members. Bob Warren spoke about recent play with a reminder that we are playing doubles. Some of us may not move like we used to but we are all there to get our game on.

Motion to adjourn was made by Cliff Philpott, second by Doug Smucker.

Respectfully submitted by President Jan Warren
