

Minutes for November 5, 2013 meeting

Welcome

Slide show from the third annual Men of October

Report from Tournament Director Greg Steger

Thank you to the tournament committee consisting of Rosie Mullen, Darlene Roach, Marci Maxwell, Frannie Elliott, and myself; the players were honored with an awards dinner at the shuffleboard room. This year there was a special 'Sportsmanship' award trophy given which was won by our own Lake Westphal; this will be an ongoing tradition from here on out.

Of course we could not do it without our club members that came down to support the event and our very own scorekeeper Doug Smucker who also spent all three days at the tournament keeping it on track. Thanks also to the photographers-Jim and Barb Bromwich, Marci Maxwell, and Cliff Philpott for taking over 1000 photos.

Our next meeting is in January on the 21st in this same room and same time. Since we no longer have our social director and I am pretty sure there will be no volunteers to fill those big shoes, I am not sure what will be on the menu but I am sure it will be simple so I hope you will continue to attend these meetings as we will always have something. If some of you would like to help, please let me know.

Scott McClearie voted in as Club Secretary.

Just a couple reminders about using the facilities. Remember that whenever you go to the court to play- if it is after 9am, you must sign in at the monitor station even if it is still considered club time. We do have the sign-up sheet but it is for use by the players that come in prior to the monitor coming in.
