OLD BUSINESS:

Swing Into Spring – April 6-7. Was a huge success. Jan thanked all the people who helped. Also a big thanks to Rachel and Larry Ott. Gary Zeman, Tournament Director, reported that the tournament made about \$1100.00 in profit for the club. Next year's date is April 5-6, Gary will stay as director and Jan will take care of keeping score.

Club By-Laws - the only change in the club by-laws is on guest policy. Jan read the new guest policy. She asked for a motion to pass it. Doug Smucker made the motion, Bob Warren seconded, motion carried.

Eileen Scharff, our Treasurer, reported that she learned that two other rec center clubs were victimized by the same scam we had experienced. This came as a result of the article in the Rec Center news.

We need a volunteer to serve as our Content Manager (used to be called Webmaster). The Rec Center is looking into giving the club websites a uniform web set-up.

Men of October - coming up at the end of October. Dates to be announced later.

A motion was made to adjourn. The meeting was adjourned at 5:25 P.M., followed by a cold meat and cheese buffet supper. Thanks to Jan and Bob Warren.
